

Solution

Proportionate Justice

“Individualized Distributive/ Proportionate Justice” for each & every case, by giving it due share of “Court Resources and Time”

“Substantive Justice in an Individualized Case” is not **the** policy/ aim/ objective of the Justice System; rather it is **one** of the policy aims along with Economy, Efficiency, Expedition, Equality and Proportionality

“Zero Error Regime” replaced by “Liberal Consensual Court Controlled Case Management”

Effective Discovery through “Cards on the Table Approach” coupled with “Liberal consensual Court Controlled Case Management” causing decrease in Satellite/ Procedural Litigation

Decision of cases on merits through “Summary Judgment”, “Judgment on Point of Law” and “Settlement” and decision of only those cases through Trial where dispute cannot be resolved without recording Oral Evidence

Removal of Backlog

Justice System gaining its Efficiency & Efficacy
