

## **WOOLF REFORMS (1994)**

- i. "Court Controlled Case Management" to replace "Party Controlled Case Management"
- ii. Overriding Aim/ Objective/ Purpose of Civil Justice System should change from "Substantive Justice" to "Proportionate Justice"
- iii. Maximizing Justice through "Distributive Justice"/ "Proportionate Justice"
- iv. "Merit based Litigation" to replace "Satellite Litigation"
- v. Decision of a single case should be viewed with reference to impact an entire court docket
- vi. Equality/Efficiency/Proportionality should be "Overriding Objective" of the new Procedural Rules
- vii. It is a false assumption that "Substantive Justice" can be done in each and every case
